### Telecare Assistive Technology

**Other Services:** The Telecare scheme uses a range of innovative technologies to help people with dementia overcome problems in their homes by reducing the levels of risk, helping people feel safer and more secure and supporting relatives and carers. It should be considered as additional support for those who may need help with some of the following: forgetting to switch off taps, leaving the house unsecured, using the telephone, taking medication, getting into the house or misplacing money or keys, falling at home, switching lights on and off or handling heating controls, fear of crime, risk of fire.

A referral can be made by contacting the Adult Care Team (0845 124 4500) who will forward details to the Telecare Officer to arrange a visit.
